

EASYSTART GUARANTEE

All of Easystarts batteries are manufactured to the highest quality. All of the batteries are designed to and above original equipment specification requirements. The batteries supplied as a replacement are guaranteed against failure due to faulty manufacture or materials. In the event of such a failure, the battery will be replaced. The replacement battery will then be guaranteed for the remainder or the original battery guarantee period.

These faults are as follows:

Faulty cell: Failure occurs when the active material falls away from the plates prematurely resulting in one cell collapsing.

Open circuit: Fault occurs when an inter cell lead connector severs cutting the circuit. Hairline fractures of these inter cell connectors will result in intermittent failure.

Poorly formed negative and/or positive terminals.

The guarantee periods are as follows:

Sealed maintenance free automotive and commercial vehicle batteries: 3 Years

Low maintenance automotive and commercial vehicle batteries: 2 Years

Sealed maintenance free and low maintenance leisure batteries: 2 Years

Motorcycle Jetski and ATV batteries: 1 Year

A,G.M and Gel batteries: 1 year

Dyno industrial batteries: 1 year

The guarantee does not cover:

- Failure resulting from wear and tear, misuse and negligence, either before or during use e.g. overcharged, cycled, sulphated , undercharged or physical damage.**
- Failure resulting from the use of any fluids other than distilled or de-ionised water.**
- Use of a battery on a vehicle for which it is not recommended or on which it has been installed and commissioned incorrectly.**
- Failure or deterioration resulting from the malfunction of any charging system.**
